Evergreens

GRAFTED UPRIGHT JUNIPERS

The finest characteristics as to color, shape, habit of growth, and hardness can be obtained from year to year in grafted trees. It is very much to your advantage in landscaping your home, as a lost evergreen can be replaced with one of a matching color. Priced as follows:
2 to 2½ ft. \$ 7.75 4 to 4½ ft. 13.50
2½ to 3 ft. 9.25 4½ to 5 ft. 15.00
3 to 3½ ft. 10.50 5 to 5½ ft. 16.50
3½ to 4 ft. 12.50 5½ to 6 ft. 18.00

Cannart Junipers—An extremely rich dark green foliage, heavily tufted, very attractive in its rich color nearly all season with an abundance of powdery blue or purplish berries.

P. G. Green Junipers—Pairie Gardens' own development, a soft grass-green color, very compact pyramidal evergreen.

Chandlers Silvers—One of the best known of the pyramidal blue forms, fine feathery texture, extremely drought hardy.

Silver Glows—An outstanding variety, with an unusual blue-gray color and nicely shaped pyramidal form.

Pathfinders—Silvery-blue foliage, popular tree in this area.

Glauc—Silvery-blue color, brightest in spring, new growth whitish-blue color.

P. G. Unnamed—Unusually fine pyramidal shape that requires very little trimming. Soft silvery color.

UPRIGHT JUNIPERS NOT GRAFTED

Juniper Virginiana (Eastern Red Cedar)—Native tree, much used as an ornamental tree.
18" - 24" balled and burlaped \$3.00

Junipers Scopulorum—Habit of growth to that of the Red Cedar, texture of foliage finer and the color is a silvery gray-green.

2½ to 3 ft. \$ 5.75 4 to 5 ft. 8.00
3 to 3½ ft. 6.50 5 to 6 ft. 10.00
3½ to 4 ft. 7.25

Scopulorum Globes—Sheared Juniper into a globular form.
18 to 24 inches \$7.50

PINES—

Austrian Pine—Rich dark-green needles 4 to 5" long, grows into beautiful large, long lived tree. Very hardy.

18 to 24 in. \$ 6.00 30 to 36 in. 8.25
24 to 30 in. 7.50

Scotch or Short Needle Pine—Fast growing, gray-green foliage, not so dense as that of the Austrian Pine.

12 to 18 in. \$ 4.75 24 to 30 in. 7.25
18 to 24 in. 5.75 30 to 36 in. 8.00

Western Yellow Pine—A native of long needle pines, good for windbreak or ornamental tree.
12 to 18 in. \$ 5.00 24 to 30 in. 7.50
18 to 24 in. 6.00 30 to 36 in. 8.25

Dwarf Pines—Low growing, can be kept small by trimming off new growth each spring, new growth resembles small candles at tip of each branch.
15 to 18 in. 6.00 9 to 12 in. \$ 4.25
18 to 24 in. 7.50 12 to 15 in. 5.00

ARBORVITAE—

Golden Arborvitae—A beautiful dwarf compact variety of golden color, valuable for urns and especially good for cemetery lots.

9 to 12 in. \$ 2.50 15 to 18 in. 4.00
12 to 15 in. 3.00 18 to 24 in. 5.00
3 to 4 ft. \$7.50

Compact Green Arborvitae—Beautiful compact slow growing evergreens.

Priced same as Golden Arborvitae

SPREADING EVERGREENS—

Pfitzers—Informal spreading evergreen with beautiful plume-like branches, will stand considerable shade, useful in foundation planting.

9 to 12 in. \$ 4.25 2 to 2½ ft. 6.75
12 to 15 in. 4.75 2½ to 3 ft. 8.00
15 to 18 in. 5.25 3 to 3½ ft. 10.00
18 to 24 in. 5.75

Vonechron—Fast growing, dark green color.

12 to 18 in. \$ 4.75 2 to 2½ ft. 6.25
18 to 24 in. 5.25

Savins—Although this is a low spreading evergreen, it grows a little more upright than most of the others. Dark green foliage.

15 to 18 in. \$ 4.75 24 to 30 in. 6.50
18 to 24 in. 5.50

Andorra—Grows much lower and flatter than the Pfitzer.

9 to 12 in. \$ 3.50 12 to 18 in. 4.50

Tamariscifolia—Bright emerald green color, turns to purplish color in fall and winter.

12 - 18" \$6.00 12 - 18" \$7.00

Condesa De Castage—Fully double, two-toned blooms of deep oriental-red and yellow.

Duquesa De Penaranda—A very effective blend of apricot-orange and pink. A vigorous grower bearing a profusion of double blooms.

President Herbert Hoover—Long stems on vigorous plants, extremely large double blooms of creamy yellow, tinted flame pink.

Talisman No. 5—Deep golden yellow and copper-red. Long stems.

Mojave—\$3.00 — Glowing apricot-orange. Slender buds and double flowers borne single on long, straight stems. Upright. AARS 1954.

CLIMBERS—

Blaze—Semi-double, brilliant scarlet. Foliage large, leathery, dark.

New Dawn—Double, slightly fragrant, blush pink, long stem. Recurrent bloom.

White Dawn—Medium size, double, fragrant white. Recurrent bloom.

Pauls Scarlet Climber — Semi-double, vivid scarlet, shaded bright crimson, which does not burn or fade, large cluster.

PATENTS CLIMBERS—

Dr. J. H. Nicholas—\$2.00—Large, full, fragrant, rose-pink.

Doubloons—\$2.00—Deep saffron yellow to gold, large, strong stem.

Many Items Potted

For your convenience we now offer many roses, shrubs, trees and some perennials in pots. This extends the planting season for you. By offering live growing plants for you to select from, especially late in the planting season, often these plants are in bloom when taken out because they were planted early.

To offset the cost of potted plants add 25c each to the bare root prices.
